

Showdown Super Fat Burner

This great weight loss supplement contains no drugs or stimulants and assists your body in obtaining optimal fat metabolism. It also suppresses your appetite and gives you the upper hand in the battle of the bulge!

Showdown contains:

- B6 – a great herbal diuretic
- Chromium, which provides increased levels of energy and accelerates protein(muscle) build-up for athletes, body builders, etc.
- Conjugated Linolenic Acid (CLA), which is great for trimming up the body fat
- Garcinia Cambogia – It suppresses the appetite and reduces the conversion of carbohydrates into stored fat by inhibiting certain enzyme processes.
- Gymnema Sylvestre, which has been shown to reduce blood sugar levels when used for an extended period of time and can possibly alter the taste of sugar when it is placed in the mouth, thus may be used to fight sugar cravings.
